GOVERNMENT OF INDIA
NON-CONVENTIONAL ENERGY SOURCES
LOK SABHA

UNSTARRED QUESTION NO:2340
ANSWERED ON:09.03.2000
IMPLEMENTATION OF NCES PROJECTS
P.D. ELANGOVAN

Will the Minister of NON-CONVENTIONAL ENERGY SOURCES be pleased to state:

(a) the number of NCES projects implemented and the funds allocated during the last three years, State-wise and project-wise;

(b) the details of the foreign companies, public sector and private sector participated in developing Non- Conventional Energy Source alongwith the foreign collaboration, State-wise;

(c) whether any special schemes proposed to be introduced to enhance the solar energy, and bio-degradable material sector; and

(d) if so, the details thereof?

Answer

MINISTER OF STATE FOR NON-CONVENTIONAL ENERGY SOURCES (INDEPENDENT CHARGE)

(SHRI M. KANNAPPAN)

(a): The details of various non-conventional energy systems/devices installed and State-wise and project-wise funds allocated during the last three years under major programmes of non-conventional energy sources are given in Table - I & II.

(b): State-wise details of public sector and private sector participation in developing major non-conventional energy sources for power generation are given in Table - III. Foreign collaborations have been made in some major non-conventional energy sectors such as Wind, Solar Photovoltaic, Biomass / Cogeneration and Waste to Energy areas, particularly for manufacturing of equipments & systems. The State-wise details of foreign collaborations in developing non-conventional energy systems are given in Table - IV.

(c) & (d): The Ministry is already implementing national level Schemes for energy generation from Solar and Urban & Industrial wastes.
